ABOUT PANSIES & VIOLAS

Pansies and violas, known for their vigorous growth, vibrant colors, and cool weather tolerance, are the perfect choice for adding a burst of life to your garden beds or containers, whether it's early spring or late fall. These fast-growing flowers boast a wide array of hues, ensuring a beautiful and colorful display.

WATER

Water when top inch of soil is dry. Keep evenly moist, but never soggy.

LIGHT

Full to partial sun, 6+ hours per day

BLOOM TIME

Summer – Fall

MATURE SIZE

4-8 in. tall,
4-6 in. wide

FERTILIZATION

Heavy feeders. Fertilize regularly with a balanced fertilizer.

Always follow package instructions.

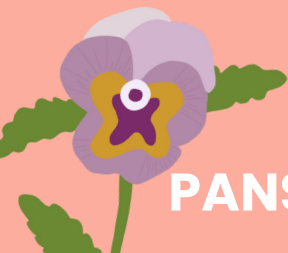

SOIL

Fertile, well-draining soil amended with sand or compost.

FUN FACT:

Vibrant blooms are edible and can be enjoyed as a delightful addition to salads, desserts, and even cocktails. Their petals offer a mild, slightly sweet flavor.

Pansies and violas are great for early and late-season planting, as they prefer cooler temperatures.
