ABOUT GERANIUMS

Geraniums are versatile plants that add both color and fragrance to your garden throughout the entire season. With their beautiful blooms and delightful scents, geraniums make a great addition to borders, window boxes, and hanging baskets. Geraniums also have culinary uses, making them a delightful and practical choice for any garden.

WATER

Allow soil to dry out almost completely between waterings.

LIGHT

Full sun, 6+ hours per day

BLOOM TIME

Summer – Fall

MATURE SIZE

6-36 in. tall,
12-36 in. wide

FERTILIZATION

Fertilize with a balanced solution every 4-6 weeks.

Always follow package instructions.

SOIL

Prefers well-draining soil high in organic matter.

CARE TIPS:

Keep your plants blooming all season long by deadheading any spent flowers. This simple task not only encourages new growth but also helps prevent diseases, ensuring your plants stay healthy and vibrant. Geraniums prefer full sun but can tolerate slightly shaded growing conditions.
