ABOUT ZINNIAS

Zinnias are fast-growing, vibrant plants that thrive with minimal care. Their broad color palette adds a stunning splash to any garden. They are most robust during the hot summer months, making them an excellent choice for adding long-lasting beauty to your outdoor space.

WATER

Allow top 2 inches of soil to dry out between waterings

LIGHT

Full sun, 6+ hours per day

BLOOM TIME

Summer - Fall

MATURE SIZE

1-4 ft. tall,
6-18 in. wide

FERTILIZATION

Fertilize monthly with a fertilizer that is high in phosphorous to promote blooming.

Always follow package instructions.

SOIL

Well-draining soil amended with sand or compost

CARE TIP:

Zinnias thrive when their flowers are harvested, making them ideal for a cutting garden. By cutting the mature flowers for bouquets, you encourage continuous blooming throughout the season.
