ABOUT PETUNIA

Petunias are one of the most popular garden flowers, cherished for their prolific blooming and the wide variety of colors available. These versatile plants feature wide, trumpet-shaped flowers and branching foliage. Petunias are a great addition to garden beds, hanging baskets, and containers alike.

WATER

Prefers consistently moist soil. Can tolerate some drought.

LIGHT

Full sun, 6+ hours per day

BLOOM TIME

Summer – Fall

MATURE SIZE

6-24 in. tall,
6-36 in. wide

FERTILIZATION

Fertilize regularly with a well balanced fertilizer. **Always follow package instructions.**

SOIL

Fertile, well-draining soil amended with sand or compost

CARE TIPS:

Petunias tend to develop leggy stems. Regularly deadhead the flowers and pinch back the stems to maintain a fuller, healthier appearance.

Avoid getting water on leaves and blooms as much as possible.
